

Questions to ask when changing Brokerages

Meet the Broker and ask questions.

- Question - When are they available to sign documents?
- Question - How long does it take to get a document signed?
- Question - Is he/she have a personality that you can work with?
- Question - What are the policies and start-up fees?
- Question - What is the commission split if there is one?
- Question - What is the transaction fee?
- Question - What marketing tools do you get to help you succeed?
- Question - How many agents do they have?
- Question - How many offices do they have?
- Question - How long have they been in business?
- Question - Do they use a paperless system?
- Question - What about the Web and how does it fit into their marketing plan?
- Question - How are leads distributed if they are at all?

When you interview a few other brokerages on your list give us a call to schedule a confidential interview.
